Welcome to Edition 7 of Contours.

**Student Centre News**

**Selecting your major: second year Bachelor of Environments students**

A reminder to all second year students in the Bachelor of Environments that your major choice needs to be confirmed by Thursday 23 July. Should you require any assistance with your major selection including subject selection, information on graduate pathways, or general assistance, please contact Christopher Lambert, Student Advisor in the Environments and Design Student Centre via email: lambert@unimelb.edu.au or phone for an appointment on 8344 6417.

**Changes to subject “Australia in the Wine World”**

Bachelor of Environments students who have chosen as breadth the Semester 2 intensive subject “Australia in the Wine World” (either 208-244 or 586-101) will notice their enrolment change over the next week to a different subject number, but the same name. Your new subject number will reflect the week-long intensive you have chosen as follows:

- 208-168/208-297: from 29 June - 3 July 2009 (Dookie Campus) – fully booked
- 208-170/208-244: from 6 July - 10 July 2009 (Burnley Campus) – fully booked
- 208-169/208-298: from 20 July - 24 July 2009 (Dookie Campus) – fully booked
- 208-171/208-299: from 21 Sept - 25 Sept 2009 (Burnley Campus) – limited places available

If you have any questions about the subject, please check the LMS for information, or email Jacinta Way jway@unimelb.edu.au.

**Collecting marked work**

Students whose marked work has been submitted by their lecturers/tutors/studio leaders to the Student Centre office (ground floor Old Commerce) are strongly encouraged to collect their work as soon as possible. Students will be required to provide the office staff with their student card. The Student Centre is open from 8.45am – 5.30pm Monday to Thursday and 8.45am – 5pm on Fridays.

**Contact details**

Please ensure that your contact details are up-to-date. This can be done via the student portal.

**Graduate Engineering Information Evening**
A session that enables students to explore their options for Masters studies in Engineering and Technology will be held next week.
Date: Wednesday 24 June
Time: 6.00pm-7.30pm
Venue: Brown Theatre, Ground Floor Electrical Engineering Building

From the Melbourne Newsroom: Water Efficiency

Associate Professor Hector Malano, Head of the Department of Civil and Environment Engineering, says that "water efficiency is everyone's business, both city dwellers and farmers, and if nothing is done about managing our state's water more effectively, the consequences could be very severe". For the full story please visit the following link http://newsroom.melbourne.edu/studio/ep-23

Student Architecture Congress July 2009

Student Architecture Congress RE:HAB will be held in Canberra during 5-10 July. This is a week-long festival of architecture and design and students from all disciplines are invited. The program will include tours and workshops, exhibitions, parties and a soccer match. Student tickets for SONA members start from $190 (plus GST).
More information is available from http://www.checkintorehab.com.au

Ask Counselling

The Counselling Service has an innovative online facility for students at the University of Melbourne called "Ask Counselling". This is a question and answer website where personal questions can be submitted and a selection of questions with answers will be posted to build up a bank of relevant information for students. "Ask Counselling" can be accessed via the Counselling Service website or directly at http://cms.services.unimelb.edu.au/counsel.
